

# IN A MILLION WORDS OR LESS...

Welcome back to another school year parents!

You can help me by providing any information in a million words or less that will aid me in better understanding your child. Some things I am interested in include the following:

- What does your child like? Dislike?
- What are your child's strengths? Challenges?
- Important experiences that may be affecting your child's state of mind (i.e. death in the family, a best friend moving away, loss of a pet, etc.)
- Special medical needs
- Study habits at home
- Television viewing habits
- After-school activities and special interests
- Feelings toward school
- Conflicts among family members

Although I am interested in anything that could be affecting your child, it is not necessary for you to reveal personal information. Please know that anything you do say will be kept in the strictest confidence. Please use the back of this paper to complete your assignment. Use the provided envelope and place in your child's communications folder.

Thank you in advance for your support.
